

"Head of the Class" 2018 AWARDS

Dear HVAC Educator:

Each school term, Malco Products recognizes outstanding students graduating from career education programs in **Heating, Ventilation & Air Conditioning**, Building-Construction and Autobody Repair. The Malco "Head of the Class" Student Recognition Program awards your program's top graduate a MALCO TOOL PRIZE and congratulatory CERTIFICATE, MALCO CATALOG and stylish MALCO CAP.

**HVAC
Service Mini-Kit**

**33-Pocket
HVAC Backpack**

For Heating, Ventilation & Air Conditioning Program Graduations in 2018, the "Head of the Class" that you name has the choice of either an HVAC Service Mini-Kit AWARD or Roomy HVAC Backpack AWARD.

Both awards are specialized for an HVAC Trade Pro. The Service Kit includes CONNEXT Handles and Magnetic Hex Driver Shafts, a 6in1 Screwdriver, an Offset Refrigeration Ratchet Wrench, a 6-piece Hex Key "L" Wrench Set, and a 25'x1" Tape with Writable Case and Magnetic Hook. The comfortable, padded Malco TBP33 Ballistic Nylon Backpack features an easy-access, wide-opening shell and 33 duo colored pockets to organize, protect and transport an HVAC tool assortment plus room for a laptop or tablet, mobile phone, water bottle and more. There is no further Malco evaluation to qualify. Your top grad will receive the prize you select! **All members of the class receive a MALCO CATALOG and MALCO "CAMO" CAP!**

Since 2005, the Malco "Head of the Class" Recognition Program has reached out to over 45,000 students representing over 550 Technical School, Union JATC, and Industry Association career education programs across the U.S.A. and Canada (All 50 States, 7 Provinces and still growing). **You are welcome to be a part of this no-obligation, year-round program. THE ONLY REQUIREMENT IS THAT YOU APPLY. HERE'S HOW:**

1. **CHOOSE** a student from your program's 2018 Graduation Class for "Head of the Class" Honors
2. **FILL OUT ELECTRONIC FORM** on Page 2 and click **SUBMIT** (Received Notice Should appear)
