

"Head of the Class" 2018 AWARDS

Dear Building Trades Educator:

Each school term, Malco Products recognizes outstanding students graduating from a Building Trades program of instruction. **The Malco "Head of the Class" Student Recognition Program awards your top graduate a significant MALCO TOOL PRIZE, plus a congratulatory CERTIFICATE and a stylish MALCO CAP!**

Since 2005, the "Head of the Class" program has reached out to over 45,000 student apprentices from over 500 Technical Schools and Union/Guild Training Centers across the USA and Canada. **As Malco distribution grows beyond North America, we extend an invitation to Educators in the United Kingdom to be a part of this bonding effort with future trade professionals!**

30-24 Gauge Steel
TurboShear TSCM

Asphalt Shingles
TurboShear TSS1

Natural Roofing Slate
TurboShear TSNS1

Fiber Cement Backer Board
TurboShear TSF2

Fiber Cement Siding
TurboShear TSF1

For 2018 Building Construction Graduations, the "Head of the Class" you name receives an amazing Malco TurboShear power assisted drill attachment of choice.

TurboShear models are available for cutting corrugated steel, asphalt shingles, roofing slate, fiber cement backer board or fiber cement siding plank. All of the power-assisted attachments, shown here, insert into the chuck of any corded or cordless drill or quick-release impact driver.

There is no Malco further evaluation. The graduate you name will receive the prize you select.

And all members of the class receive a MALCO CATALOG and stylish MALCO CAP!

THE ONLY REQUIREMENT IS THAT YOU APPLY. HERE'S HOW:

1. CHOOSE a student from your 2018 Graduation Class for "Head of the Class" Honors
2. FILL OUT ELECTRONIC FORM on Page 2 and click **SUBMIT** (Received Notice Should appear)

Address any questions to the undersigned: Email MAJ@MALCOTOOLS.COM, Desk Phone 01 320 274 7320

Sincerely,
MALCO PRODUCTS, INC.

Michael A. Janey
