

## Process Specialist

Malco Products, SBC, located in DeWitt, NE offers you a great employment opportunity. As the nation's leading manufacturer of specialty precision hand tools for the HVAC industry, Malco is seeking a multi-talented individual to work in our production area. Qualifications and duties of the Process Specialist include:

- Set-up and run technical (CNC) equipment and numerous other machines including forging, broaching and brazing
- Assemble and package tools including printing package material
- Receive and inspect parts to prints using measuring equipment including CMM
- Transfer parts to maintain accurate inventory records
- Set up and run punch presses
- High School Diploma or GED
- 2 years related manufacturing experience

Hours: Monday-Friday 6:30 a.m.–3:00 p.m.

We offer a flexible benefits program where you can pick and choose many options in our plan. We are a 100% owned Employee Stock Ownership Plan (ESOP) company where all employees are shareholders of company stock. Along with the excellent starting wage and benefits program, we have a clean, safe, climate controlled working environment.

To apply, complete the online application or print and complete an application found at [malcotools.com](http://malcotools.com) and mail, fax, email or deliver the application to:
